

Section 508 Survey

To be filled out by the System Owner

1. Identify the national or local database under your jurisdiction that has been purchased, developed, or procured since June 21, 2001. This includes databases that have been modified or upgraded through a purchase, procurement, or involvement of a contract employee since June 21, 2001.

2. Identify the System Owner and Office.

3. Identify whether or not the database is Section 508 Compliant (Yes/No).

 /

- 3a. If yes, how do you know?

4. Identify whether or not the database has undergone Section 508 testing (Yes/No).

- 4a. What was involved in the testing?

5. Are the system users BLM, Government outside BLM and/or the public at large?

5.a. What steps did you take to identify 508 requirements among these sets of users?
